Hello! My name is Angeliki Kostopoulou. I am a Greek teacher in a high school of Athens. I teach ancient and modern greek language to high school students, i.e. to students aged 15 to 18. Our school is located in Petroupoli, a beautiful suburb of Athens, with a magnificent view. Although the building is an old school, it has modern digital infrastructure, such as projectors in all the rooms.

Hello. My name is Zoe Karadima. I am a Greek teacher in a high school. Our school is located in Athens and specifically in Petroupoli, a western suburb of Athens with a panoramic view and a strong presence in cultural activities. I teach modern Greek language to high school students aged between 15 to 18 years old. At the same time I am the principal of the school.

My school has technology equipment in all classrooms that the vast majority of the teachers use. My ambition is to improve in the use of new technologies in the educational process
